

## PRIVATE BRANDING PROGRAM

### Boost Your Brand with MicroCare™ Technology

#### Are you a distributor or OEM serving the medical, dental, or veterinary markets?

MicroCare Medical™ has the perfect solution to help you compete effectively and enhance your brand. Private branding allows you to offer MicroCare Medical™ registered formulas under your own brand name, giving you a distinct advantage in the market.

#### Why Choose MicroCare Medical™?

- **Unparalleled Quality:** MicroCare Medical™ Infection Prevention products are manufactured in the U.S. with strict adherence to Good Manufacturing Practices (cGMPs). Our products meet the highest industry standards.
- **Compliance and Safety:** Our formulas comply with FDA and EPA requirements, ensuring that you provide your customers with safe and reliable products.
- **Expertise:** Our specialists will work closely with you to develop top-quality formulas available in many formats including liquid, tablets and powders.
- **Competitive Pricing:** MicroCare Medical™ offers competitive pricing to help you maximize your profitability.

#### Gain a Competitive Advantage with MicroCare Medical™ Expertise

With over 40 years of experience in manufacturing critical cleaning products, we have the expertise you can rely on. We guarantee 100% satisfaction and support your success every step of the way.

- **Product Availability:** Our products are manufactured and shipped from our facilities in Colorado, Connecticut, the U.K. and Singapore ensuring timely delivery worldwide.
- **Value Added Services:** Benefit from our regulatory and compliance expertise, unique product formulations, as well as packaging and label design support.
